

Cazenovia Preservation Foundation

April – August

2017 Walks 'N Talks

All events are free and open to the public. No rsvp required.

The Fungus Among Us

Saturday, April 29th • 10:00am – Noon

Burlingame Trail – Burlingame Road

Most of us have seen a few mushrooms pop up overnight after a spring rain, and they're usually gone just as fast. Is there more to the story? Join us for a walk on the Burlingame trails to learn about the mysterious underground world of fungi with SUNY-ESF mycologist Tom Horton.

Morning Out with the Birds

Saturday, May 6th • 7:30am – 9:30am

Fairchild Hill Parking Area – Route 20

Can't tell a hawk from a handsaw? Novices and seasoned birders alike will enjoy a morning on Fairchild Hill with John Pumilio of Colgate University. Learn to identify local species by sight, sound and behavior and share your favorite bird stories with the group. Binoculars recommended.

Native Flora Walk

Saturday, June 17th • 10:00am – noon

Nelson Swamp – Lyons Road

Don Leopold of SUNY-ESF will lead a group of adventurers off trail in search of rare native flora and some of the oldest white pines in the state. Park near the swamp on Lyon Road. Be prepared for a moderately difficult walk through swampy conditions.

Summer Solstice Yoga

Wednesday, June 21st • 7:15am – 8:00am

Fairchild Hill Parking Area – Route 20

Great the longest day of the year by performing gentle yoga atop Fairchild Hill, with a spectacular view of Caz lake and the surrounding landscape. Local yoga instructor Gyata Stormon will lead the group. Beginners are welcome. Mats or blankets are recommended. Rain date – June 28th.

Full Moon Bonfire

Monday, August 7th • 7:30pm – 9:30pm

Fairchild Hill Parking Area – Route 20

Bring friends and family to enjoy the magic of Fairchild Hill on a summer night. Explore the woods and fields or settle in by the fireside to enjoy s'mores and a view of the full moon as it rises. S'mores provided, but bring your own blanket and headlamp or flashlight.
